# A LEGACY OF INNOVATION & TRUST

Since 1910, the Dickinson Group of Companies (DGC) has stood as a pillar of industrial excellence, pioneering solutions that have shaped the mining, mineral processing, and manufacturing sectors. From our origins in specialized industrial services, we have evolved into a global leader in asset integrity management and multidisciplinary industrial solutions. This journey spans over a century of innovation, adaptation, and unwavering commitment to excellence.

Our story is one of continuous evolution and strategic growth. Throughout our history, DGC has consistently anticipated and adapted to changing market demands, expanding our capabilities while maintaining the highest standards of quality and reliability. This legacy of excellence now forms the foundation of our **AssetPro Solutions** partnership model, where we combine our global expertise with local industry leaders to create powerful industrial alliances.

## BUILDING AFRICA'S INDUSTRIAL FUTURE

Through **AssetPro Solutions**, DGC is committed to fostering industrial growth and development across Africa. We recognize that sustainable growth comes from combining global expertise with local knowledge, creating partnerships that drive both business success and economic development. Our approach is built on the understanding that true market leadership requires more than just technical expertise – it demands a deep commitment to sustainable development, local empowerment, and long-term value creation.

## INDUSTRY FOCUS & EXPERTISE

**DGC AssetPro Solutions** brings specialized expertise across key industrial sectors:

### **MINING & MINERAL PROCESSING**

Our deep expertise in mining operations encompasses everything from asset integrity management to specialized maintenance services. We understand the unique challenges of mineral extraction and processing, providing solutions that enhance operational efficiency while maintaining the highest safety standards.

### **METALS & SMELTING**

With extensive experience in metallurgical operations, we deliver specialized solutions for metals processing and smelting operations. Our expertise includes furnace maintenance, refractory services, and comprehensive asset management strategies.

### **PETROCHEMICAL & CHEMICAL PROCESSING**

Our solutions address the complex needs of petrochemical facilities, including specialized maintenance services, safety systems, and asset integrity management programs that ensure operational excellence and regulatory compliance.

### **MANUFACTURING & INDUSTRIAL SERVICES**

We provide comprehensive support for manufacturing operations, including equipment maintenance, process optimization, and facility management services that enhance productivity and operational reliability.

## THE **ASSETPRO** SOLUTIONS

# ADVANTAGE

When you join forces with DGC through **AssetPro Solutions**, you gain access to a comprehensive suite of advantages that transform every aspect of your business operations:

### **BRAND EXCELLENCE & MARKET LEADERSHIP**

Our century-long legacy of excellence becomes an integral part of your business identity. The DGC name carries with it a reputation for reliability, innovation, and unwavering quality that immediately elevates your market position. This association opens doors to new opportunities and strengthens your standing with clients, partners, and stakeholders across the industry.

### **GLOBAL NETWORK INTEGRATION**

Joining the DGC network means accessing a vast ecosystem of industry leaders, technology providers, and strategic partners. This network transcends geographical boundaries, connecting you with opportunities, expertise, and resources from around the globe. Our partners benefit from established relationships with key industry players, accelerating their growth and expanding their market reach.

### **TECHNICAL EXCELLENCE & INNOVATION**

Partnership with DGC brings immediate access to world-class technical capabilities and innovative solutions. Our commitment to continuous research and development ensures that you stay at the forefront of industry advancement. Through knowledge transfer programs, specialized training, and ongoing technical support, we enhance your operational capabilities and drive innovation within your organization.

### **OPERATIONAL ENHANCEMENT**

We work closely with our partners to optimize every aspect of their operations. This includes implementing advanced management systems, enhancing quality control processes, and streamlining operational efficiency. Our comprehensive approach covers everything from project management methodologies to safety protocols, ensuring excellence in every aspect of your business.

## REGULATORY COMPLIANCE

# & STANDARDS

Partnership with DGC ensures alignment with international best practices and regulatory requirements.

We maintain rigorous compliance with:

- ISO 9001:2015 Quality Management Systems
- International safety standards and protocols
- Environmental management requirements
- Local content and development regulations
- Industry-specific certification requirements

## PARTNERSHIP

# SUCCESS STORIES

Our commitment to excellence is best illustrated through the achievements of our existing partnerships across Africa:

### STRATEGIC MINING SOLUTIONS IN MADAGASCAR

**DGC Madagascar SA, our partnership with MC Mining**, exemplifies the transformative potential of our localisation model. Founded in 1999 by Mr. Sikandaraly Pichori, MC Mining's journey from a local spare parts reseller to a leading mining sector supplier demonstrates the growth potential our partnerships unlock. Today, this partnership combines MC Mining's deep understanding of the Malagasy market with DGC's global industrial expertise, creating a powerful force in Madagascar's expanding mining sector.

### WORKFORCE EXCELLENCE IN ZIMBABWE

**Our collaboration with Browhil Trading through DGCA Zimbabwe Pvt. Ltd.** has revolutionized workforce management in the region. Established in 2006, Browhil Trading brought extensive experience in recruitment and human resource management to our partnership. Together, we've developed comprehensive workforce solutions that combine local market knowledge with international best practices.

## MULTI-REGIONAL EXCELLENCE IN SOUTH AFRICA

The breadth of our partnership model is particularly evident in South Africa, where we've established strategic alliances across multiple regions:

Our partnership with Khonzi Engineering Services through DGC KwaZulu-Natal (Pty) Ltd. has created a center of engineering excellence. Founded in 2012, Khonzi's technical expertise combined with DGC's global capabilities has resulted in innovative solutions across multiple sectors.

In the North-West Province, DGC North-West (Pty) Ltd., in partnership with Rustenburg Steel Construction (RSC), showcases the evolution of manufacturing excellence. From its beginnings in 1985, RSC has transformed into a leading Black-Owned Company in the structural steel sector.

Through DGC Limpopo (Pty) Ltd., our collaboration with WM Commercial Equity represents the future of mining services, delivering innovative solutions in drilling technologies, equipment maintenance, and mining support services.

## THE PARTNERSHIP

# JOURNEY

### PARTNERSHIP REQUIREMENTS

Successful partnerships are built on shared values and complementary strengths. We seek partners who demonstrate:

- Proven track record in their respective industries
- Strong operational capabilities and market presence
- Commitment to quality and safety standards
- Sound financial foundation
- Shared vision for growth and development
- Strong local market knowledge and relationships

## DEVELOPMENT PROCESS

Becoming a DGC AssetPro Solutions partner involves a carefully structured process:

### 1. Initial Engagement and Assessment

- Comprehensive business evaluation
- Market opportunity analysis
- Strategic alignment assessment

### 2. Partnership Development

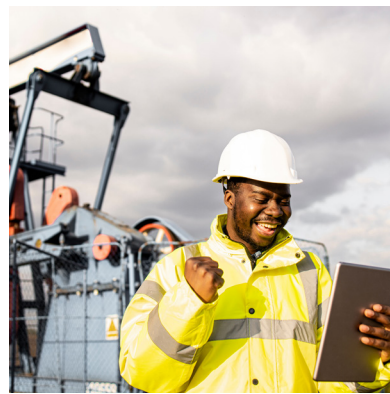

- Customized partnership structure
- Technology integration planning
- Capability development roadmap

### 3. Implementation and Growth

- Systematic capability transfer
- Market development support
- Operational enhancement

### 4. Continuous Support

- Ongoing technical assistance
- Market intelligence
- Strategic guidance

## VISION

# ADVANTAGE

As we look toward the future, DGC AssetPro Solutions remains committed to driving industrial advancement across Africa through:

### TECHNOLOGICAL INNOVATION

We continuously invest in emerging technologies and digital solutions that enhance operational efficiency and market competitiveness.

### SUSTAINABLE DEVELOPMENT

Our commitment to sustainability extends beyond environmental responsibility to include economic and social development.

### SKILLS DEVELOPMENT

Through comprehensive training programs and knowledge transfer initiatives, we're building the technical and managerial capabilities needed for Africa's industrial future.

### MARKET EXPANSION

Our strategic growth plans include expansion into new regions and markets across Africa, creating a connected, efficient, and prosperous industrial sector.

TRANSFORM **YOUR FUTURE** WITH DGC

DGC AssetPro Solutions represents more than a century of industrial excellence combined with a vision for Africa's industrial future. We invite established businesses to explore partnership opportunities and join us in creating powerful industrial alliances that drive progress across the continent.
